

Kamp Koren is situated in picturesque valley by the Soča river, only 500m away from the town Kobarid. It is classified as a 4 - star campsite and it is friendly to disabled people. There are 90 pitches in the campsite for caravans, motor homes and tents and it can host up to 360 guests. Every pitch has an electric hook up. The campsite has three sanitary blocks, two are heated, washing and drying machine, TV, WiFi, bar and small restaurant with the local dishes, grocery with some eco products, sauna, salt room, multi-purpose hall, gym, AED and an electric vehicle charging station.

You do not have your own camping equipment or would you rather enjoy more comfort? The (6-person) eco-chalets and the innovative wooden glamping huts for 2 person or for the whole family are a great alternative to a comfortable stay combined with the freedom of camping.

The picturesque landscape of Koren campsite will reveal to the visitors the most beautiful places of the Soča Valley, such as: the Soča river canyon, waterfall Kozjak, gravel pits, the well-known Napoleon bridge and the restored front line from the World War I. The natural and historical heritage gives a lot of opportunities for different kinds of sports and sightseeing.

The relaxing atmosphere and the sport activities at the campsite and in its surroundings offer families and enthusiastic individuals what they are looking for. The campsite offers volleyball court, tables for table tennis, children can enjoy themselves on the playground with outdoor play equipment, climbing frames, a slide and a climbing wall for children. The climbers, beginners as well professionals, can use an 8-m-high climbing tower.

Renting a mountain bike or e-bike for those who want to do recreation is also available. We will provide you all the necessary information regarding water activities on the Soča river as rafting, kayaking, canyoning and more. At the reception kayakers can buy kayaking permit for the access points by the river Soča.

The campsite is surrounded with hills and high mountains. This makes the campsite the perfect starting point for hiking and biking.
